Suri Profiles Pvt. Ltd. is one of the largest manufactures and Exporters of synthetic mouldings of India. We are dedicated to providing our customers with the highest quality products with the most competitive prices.

SPL mouldings can be cut with ordinary wood working equipment. Frames can be stapled or nailed just like wood.

Our vast experience and our constant product development have enabled us to produce the most desired frames for the volume framer. We have the capability to produce any profile with different sizes, style, colours and finishes.

On the whole **SPL** has a combination of advanced automated manufacturing process along with the most economical manpower which makes us the most competitive with no compromise on the quality.

We at **SPL** promise to meet all our customers' requirement to the best of our efforts.
